RE: Revisions to January 28 meeting notes, Draft February 18 meeting notes (with handouts), and Draft Proposed Agenda for March 4 meeting

Working Group Members and Contact Group:

We have noted revisions to the January 28 notes for your review.

However, there are a number of times that the notes mention that "a Working Group member asked that....., commented that....., etc." and we have no record of who specifically made the comment. Please let us know (either by phone, fax or e-mail) if you know who made the comment or if you have other changes to make to these notes.

We will finalize them at our next meeting on March 4.

Thanks very much.
